

PHIL

Tasty & Joyful Chewable Softgel!

in a single Chewable Softgel!

What are the ADVANTAGES?

- **Synergy of Omega-3 and Probiotics:**
Omega-3 fatty acids help Probiotics to survive until reaching to the intestines and further to colonize therein.
- **Masking odor of fish oil:**
The odor of fish oil is fully masked with flavor of orange, lemon and banana.
- **Sugar-free:**
Natural sweeteners such as Stevia and Xylitol are added instead of sugar.
- **Bespoke formulation:**
The formula with active ingredients, flavors and sweeteners, and capsule shapes and sizes can be customized
- **Joyful intake:**
Parents feed their children to take fish oil and probiotics. The children enjoy taking them like sweet candies.
